## May The New Academic Year Be Beneficial To All Of Us!

5-6  
AGE  
BULLETIN

Hello Everyone...

At English Kids Academy, we are proud to have touched the lives of tens of thousands of children since we began our English education journey in 2013. Throughout this journey, we have always asked ourselves: "How can we provide the best English education for our children?" This year, you will find the answer in our newly prepared materials and updated curriculum.

In this academic year, we have completely refreshed the content of our units, songs, stories, and games. In addition, with our bonus units, we have enriched the learning journey even further. Our renewed mobile application will once again be a fun-filled learning tool for our children.

And this year, children will not be alone on their journey—our adorable friends, Kiki the raccoon and Timmy the squirrel, will accompany them along the way. With their guidance, children will both enjoy learning English and feel like true adventurers on this exciting path.

In this new academic term, we are also embracing an approach that places greater importance on family involvement, aiming to include all families in the learning process.

That is why we are filled with excitement.

*Best regards,  
English Kids Academy*

KIKI'S  
ADVENTURE:  
A NEW  
FRIENDS

Every summer, Kiki and her family went to the same holiday village. Kiki always looked forward to meeting new friends. This year, she saw a child with yellow hair and blue eyes named Alex on the beach.

Kiki said, "HELLO!" Alex smiled and said, "HELLO!" Then he came over to Kiki. They wanted to talk, but they spoke different languages. Kiki asked, "MY NAME IS KIKI, HOW ARE YOU?" Alex thought for a moment and said, "I'M FINE, THANK YOU! WHAT'S YOUR FAVORITE GAME?" Kiki was happy that Alex was trying to talk with her and replied, "I LOVE TO PLAY TAG! DO YOU KNOW HOW TO PLAY?" Alex waited for Kiki to explain, and then they started playing together.

They ran and played all day. Kiki felt happy because she could now play with other kids thanks to her English. When it was time to say goodbye, Kiki said, "GOODBYE, SEE YOU!" Alex waved and said, "SEE YOU!"

Kiki discovered that learning English was fun and helpful. This summer, she not only made a new friend but also learned how great it is to talk in a new language.

### QUESTIONS

- 1 - Who did Kiki meet that summer?  
(Alex.)
- 2 - How could she become a friend with Alex?  
(İngilizce konuşarak.)

### UNCLE HASAN AND HIS MAGIC TRAIN

UNCLE Hasan had a very special train, it was magical! Every morning, wearing his favorite conductor hat, he'd hop into his train and start a new adventure.

"All aboard!" he'd call at the first station, where a tiny, fluffy CAT awaited. "You look like you need a ride," UNCLE Hasan said, smiling as the CAT climbed aboard.

- At the second station, TWO playful DOG with wagging tails jumped into the carriage, barking happily. As the train chugged along, UNCLE Hasan and his new friends sang songs and admired the scenery.

The adventure continued:

- At the third station, three curious RABBITS with twitchy ears hopped on, nibbling on carrots.

- FOUR cheeky MONKEYS arrived at the fourth station, bringing a basket of bananas to share.

- FIVE mighty lions with golden manes roared a greeting at the fifth station. "There's room for everyone!" UNCLE Hasan assured them.

The train was now full of joyful noises. But there was still more to come:

- SIX elegant GIRAFFES stretched their long necks to peek inside before joining the ride at the sixth station.

- SEVEN ELEPHANTS with big, floppy ears came aboard at the seventh station, using their trunks to load hay.

- EIGHT fluffy SHEEP trotted in at the eighth station, bleating softly and curling up for a nap.

- NINE quacking DUCKS waddled in at the ninth station, splashing in a small pool of water UNCLE Hasan had prepared.

- At the tenth station, TEN tiny MICE scurried in, squeaking with delight as they found a cozy spot near a wheel of cheese.

The magical train chugged through forests, over hills and across sparkling rivers. The animals sang a magical song:

Chuff chuff chuff! Chuff chuff chuff!

ONE, TWO, THREE, FOUR, FIVE

Chuff chuff chuff! Chuff chuff chuff!

SIX, SEVEN, EIGHT, NINE, TEN

Their joyful song filled the air, and towns people waved set, UNCLE Hasan dropped off each animal at their station and everyone thanked him for the wonderful adventure. With a final wave, UNCLE Hasan's magical train rolled home. It was ready for a new adventure the next day.

#### QUESTIONS

- 1 - How many different animals did Uncle Hasan take into his train? (Ten.)
- 2 - Which song were the animals singing While the train was going? (Chuff Chuff Numbers.)

### KIKI AND THE COLORFUL SCHOOL DAY

Once upon a time, there was a cute and curious girl named Kiki. Kiki loved going to SCHOOL because she learned something new every day. One morning, Kiki grabbed her BLUE backpack and went to SCHOOL.

When Kiki arrived at SCHOOL, her TEACHER smiled at her and said, "GOOD MORNING, Kiki!" Kiki replied, "GOOD MORNING, TEACHER!" The TEACHER told Kiki and the other STUDENTS that today they would talk about COLORS, NUMBERS, AND SCHOOL OBJECTS.

First, the TEACHER showed a RED PENCIL on the TABLE. "This is A RED PENCIL," said the TEACHER. Kiki took the PENCIL and looked at it carefully. Then the TEACHER asked, "How many PENCILS are there?" Kiki quickly counted: "ONE, TWO, THREE, FOUR!" she said. "There are FOUR PENCILS!"

Next, the TEACHER took out a GREEN notebook and A YELLOW BOOK. "This is a GREEN notebook, and this is A YELLOW BOOK," said the TEACHER. Kiki recognized the COLORS immediately and was very happy.

The TEACHER then show each STUDENT A CHAIR AND A TABLE. "These are your TABLES AND CHAIRS," said the TEACHER. Kiki sat at HER BLUE TABLE and pulled up HER BLUE CHAIR. "BLUE is my favorite COLOR!" Kiki said.

At the end of the lesson, the TEACHER asked Kiki and the other STUDENTS a question: "What did we learn today?" Kiki quickly raised her hand and said, "We learned COLORS, NUMBERS, AND SCHOOL items!"

Kiki was very happy as she walked home from SCHOOL. That day, she had learned new things and had a COLORFUL day. When she got home, she told her mother what she had learned and said, "I can't wait to go to SCHOOL again tomorrow!"

And so, Kiki's COLORFUL SCHOOL day came to an end.

#### QUESTIONS

- 1 - What did Kiki learn at school?  
(Colours, numbers, School Object.)
- 2- What number did Kiki learn to count to?  
(One, two, three, four.)
