KALIKO'S
ADVENTURE
FILLED DAY

One morning, little bird Kaliko left the nest and saw the sun rising. Kaliko felt it would be an exciting day.

First, Kaliko flew to the tall mountains. While gliding down, Kaliko saw a cat and a dog playing in the grass. Kaliko said, "Hello!" but the cat and dog kept playing.

Suddenly, it started to rain. After the rain stopped, a beautiful rainbow appeared in the sky. Kaliko loved the rainbow colors and started flying again.

As night came, the stars began to shine in the sky. Kaliko went back to the nest and fell asleep, dreaming sweet dreams.

That day, Kaliko discovered how amazing nature is, and every morning, Kaliko was excited for a new adventure.

Kaliko learned how wonderful the world is, and she was excited for a new adventure every morning.

QUESTIONS

- 1 - Which animals did Kaliko see on the grass? (Cat and dog.)
- 2 -What did he say to them? (Hello.)

STORY A2

THE ADVENTURE IN THE WIND

Timmy and Kiki decided to organize a picnic with their friends. Timmy brought apples and bananas. Kiki brought oranges and some vegetables. James added tomatoes, potatoes, and carrots.

When they met at the park, the weather was beautiful. Timmy took out his apples, and Kiki shared her oranges with everyone. Everything was going well when suddenly, the wind started blowing. The kids quickly ran under the trees to protect their food.

The wind caught Kiki's basket, and the fruits scattered everywhere. Timmy collected his apples, and Kiki tried to save her oranges. James protected his tomatoes while potatoes and carrots spread around.

After the wind stopped, the kids laughed and gathered their food again. They continued their picnic and went home, excited for the next adventure.

QUESTIONS

- 1 - Where did Timmy and Kiki go with their friends? (Picnic.)
- 2 - What was in Timmy's bag? (Apple, banana.)
