## THE NAUGHTY STAINS

Every day, some naughty stains would visit different kindergartens. They loved to mess up the children's CLOTHES! The kids especially loved their CLOTHES with their favorite cartoon characters on them.

One day, the stains decided to visit Kiki's school. They sneaked in quietly. One stain hid in the garden, another one hid behind the soap in the bathroom, and the last one found a spot in the SHOES cupboard.

Kiki and her friends didn't know the stains were waiting for them. They entered the school cheerfully. The mud stain was ready to mess up Zuzu's PANTS, while the JAM stain was eager to jump on Kiki's SKIRT. The water stain hiding behind the soap couldn't decide what to do. It thought about staining Mumu's T-SHIRT, but it had to wait.

As Zuzu walked into the school with her dad, the mud stain jumped onto her favorite PANTS. Later, Mumu asked her teacher, "Can I go to the bathroom?" After finishing, she washed her hands, and the water stain splashed onto her T-SHIRT.

When breakfast time came, Kiki hurried to sit down and dropped the jam bowl on her SKIRT. The JAM stain left a big red mark on her SKIRT!

The three friends looked at each other and shouted, "Oh no! What are we going to do with these naughty stains?"

### QUESTIONS:

- 1 - Where did the naughty stains hide to settle? (Garden, soap and shoe cabinet.)
- 2 - Which of the children's clothes got stained? (Pants, t-shirt, skirt.)

KIKI AND  
TIMMY'S BIG  
DISCOVERY

One day, Kiki and Timmy were playing in the garden. Kiki found a BIG, CLEAN box. The box was OPEN and completely EMPTY inside. Timmy said, "This box should be FULL!" Kiki asked, "Yes, but what will we fill it with?"

They both looked around. There were many SMALL stones in the garden. Kiki picked up one and said, "This stone is very LIGHT and a little DIRTY." Timmy picked up another stone, but it was very HEAVY. Kiki said, "We can fill the box with these stones!"

Timmy reminded, "Yes, but the box needs to be CLOSED." Kiki closed the lid and said, "Now our box is FULL and CLOSED." Timmy added, "Now we have a BIG treasure box!"

Kiki and Timmy started to walk home with the box on their backs. But there was a problem. The box was now very HEAVY because it was full of stones. Timmy said, "We are very YOUNG and strong, but it will still be hard to carry this box." Kiki suggested, "Maybe we can take out some stones and carry it with TALL sticks."

They thought for a while and then took out some stones. Now the box was more LIGHT, and it was easier to carry with TALL sticks. When they got home, they opened the box and started playing with the stones. Kiki said, "This box is SMALL, but it's FULL of fun!" Timmy added, "Yes, sometimes SMALL things bring BIG happiness."
