WHAT
SHOULD
I BE?

- "Hey Kiki, where are you? I have some news for you. I found out what I want to be when I grow up. I'm going to be a bird!"

- "Hahaha, but being a bird isn't a job. Why do you want to be a bird, Timmy?"

- "To fly, of course!" "Well, then you could be a pilot. They fly those big airplanes just like birds."

- "What about you, Kiki? What do you want to be when you grow up?" "Hmm, I would love to be a doctor who heals people."

- "Actually, I also love teaching. Maybe I'll be a teacher. I'll say 'Are you ready?' and the students will say 'Yes, teacher!' That would be fun."

Timmy closed his eyes and started to imagine.

Suddenly, he rolled under the table and shouted, "Hey thief! Come out, I can see you. I'm a policeman!" Kiki started to laugh.

This time, Timmy stood up and grabbed the garden hose. He shouted even louder:

- "Hey Kiki, you need to get out of here! Woooosh! Don't you see the fire? I'm a fireman! I need to save everyone from the flames."

Their mother, who had been listening to their fun conversation, smiled and said, "That's enough play for now, kids. You're going to be late for school." She kissed them and sent them off to school, saying, "You should definitely choose a job you love. Whatever you choose, I know you'll be great at it," and gave them a big hug.

QUESTIONS

- 1 - What job did Timmy dream of when he closed his eyes? (Policeman.)
- 2 - What does Kiki want to be? (Doctor or teacher.)

STORY A2

KIKI AND TIMMY'S TRANSPORTATION ADVENTURE

One morning, Kiki and Timmy were playing in the garden with their friends. That day, they decided to go on a transportation adventure.

First, Timmy imagined he was driving a big car. "Vroom vroom! Look, this car is going so fast!" he said.

Kiki suddenly thought about the sky. "I'm a plane pilot! I'm flying high, soaring through the clouds," she said with excitement. Lena then added, "And I'm a ship captain. I'm sailing on the sea, dancing with the waves!"

Timmy said, "And what about a train? I'm racing on the tracks, with all the carriages following me!" Just then, their other friend Jake joined in, "I'm driving a bus. I'm taking lots of people to their destinations," he said.

All day long, the children imagined many adventures with different vehicles. Each one was using a different vehicle, exploring the world at full speed. When evening came, they all gathered and said, "Today was so much fun! Every vehicle has its own special thing, and they're all so useful!"

Kiki smiled and said, "Yes, and they're so much fun too!" Timmy added, "Let's play the same game again tomorrow!" And with that, the children started looking forward to new adventures.

QUESTIONS
